

The **Pennfield Schools Educational Foundation** will promote and enhance the quality of education for students, graduates, and residents of the Pennfield School District, and provide scholarship funds for graduates and grants for creative and innovative projects that are outside the regular school budget.

This fall the foundation is looking to raise funds to establish the initial endowment that will provide for future generations of Pennfield students. As a respected member of the Pennfield Educational Community, we are inviting you to become a Legacy Donor and have your name(s) commemorated in etched marble on the **PSEF Legacy Wall**.

The Legacy Wall will be constructed with 8" X 6" marble tile and be permanently displayed on the second floor atrium of the new Pennfield High School. To reserve your tile, a minimum of \$250 is required.

This is a **one-time only opportunity** and the tiles are available on a first come first serve basis until all 300 tiles are purchased.

To be commemorated as a **Legacy Donor**, simply fill out the form on this brochure, attach your donation and mail it to:
